RESUME

AGIL KRISNA TRIPUJIANTO

Web Developer

PROFILE

I am a highly competent IT developer with a proven track record in designing websites, networking and managing databases. I have medium technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion is in life is using my technical know-how to benefit other people and organizations.
